HOW YOUR VISIT WILL GO TODAY

- Call from your car when you arrive.
- Please come wearing a facial covering (masks will be available).
- Information packet and screening questionnaire will be provided upon arrival.
- Hostess will complete your check-in with sanitation measures: temperature check, hand sanitizer, and mask
- Your technician will then escort you through the salon.
- During check-out please have staff assist with retail products.
(No returns at this time.)

What services are you receiving today? (*Please circle*)

Hair service Nail service Spa service

*** Due to the government-mandated health and safety requirements placed on our industry, we will be adding a modest, nominal fee (\$2) to your ticket to help cover the additional safety measures for your protection (subject to change). This fee will be in place when PPE (personal protective equipment) and extra sanitation measures are required.

Product usage will be reflected in pricing.
